LEADERSHIP EXPERIENCE

Founder, *Blue Tube Video Club*, Belvidere North HS, August 2022 - Current

- At the start of my senior year, the broadcast teacher, Mr. Pivoras, pulled me out of class and asked me if I wanted to bring back an old club
- In it, we go to all the major events at school to record them in high quality, professional level format to be used on all major school outlets such as official school social media, websites, and our very own news that we produce
- I manage a fluctuating group of ~10 members to get these videos & produce our school video news

Manager, *Thunder Shack SBE*, Belvidere North HS, August 2021 - May 2022

- Easily my favorite activity, I managed the DECA-certified Thunder Shack School-based Enterprise
- Voted among my peers with 2 other people, we managed a class of 30 people at lunch every day to run the school's official store
- My fellow managers and I trained everybody on our specialized technology such as our custom point-of-sale terminal, embroidery machine, and large format printer
- I also custom designed and ordered numerous new merchandise to include in our store
- As a whole, we had a blast the whole time which just happened to culminate in the most successful sales period the store had seen in school history
